Dear Acacia Families,

This letter is to inform all Acacia families about how students can return materials such as books, band instruments, choir uniforms, sports uniforms, and pick up any PE locker items. We have created a schedule to make this process as easy as possible, still abiding by the social distance orders set by Riverside County Public Health and the State of California. We are asking that parents do not get out of their cars during this process as we will have many volunteers at each station ready to assist you with returns and pickups.

We are also asking that all people in attendance, returning and or picking up materials, abide by the Public Health's order of wearing a face-covering. If a student and/or parent is not wearing a face-covering, we will not allow the student or parent to participate in the return or pickup of materials. Face-coverings help to protect the health and well-being of your family, students, and staff.
